GOUPAZ

0-to-hero

What is it?

— — —

GOUPAZ is an idea of tech people working abroad for:

- Collaboration with new friends

- Knowledge & experience sharing

- Hints to use new technologies

- Direct contact & advice from experienced people

- AZE global brand in Open Source world

10 Mentors from 10 countries already shared their experiences!

# Summary

_ _ _

Slack Users: 92
